## LUNG CANCER SYMPOSIUM 2024

@ Royale Chulan Kuala Lumpur

26 - 28 April 2024

### FACULTY – BRIEF BIOGRAPHY

#### **Datin Dr. Zuhanis Bt Abdul Hamid**

B.Med Science (UKM), MD (UKM), MMED (RADIOLOGY) (UKM)

***Consultant Clinical Radiologist***

National Cancer Institute

Putrajaya.

Datin Dr. Zuhanis Binti Abdul Hamid, a seasoned medical professional, embarked on her journey in medicine at UKM's medical faculty, graduating in 1995. She furthered her expertise by pursuing M.Med Radiology from 2005 to 2009, solidifying her foundation in the field. Her dedication led her to complete specialized training in Thoracic radiology in 2019, marking a significant milestone in her career. Passionate about her work, she has been actively involved in addressing Interstitial Lung Disease (ILD) since then, assuming the role of deputy chair in the ILD Special Interest Group (SIG). Moreover, she serves as a council member for the Malaysian College of Radiology (Chest), showcasing her commitment to advancing the field. Additionally, her contributions extend to the technical team in Tuberculosis at KKM, reflecting her multifaceted involvement in healthcare initiatives.

#### **Sunday, 28 April 2024**

1) Topic: Lung cancer screening in Malaysia? How to improve

Time: 08:30 – 08:50
