LUNG CANCER SYMPOSIUM 2024

@ Royale Chulan Kuala Lumpur

26 - 28 April 2024

FACULTY – BRIEF BIOGRAPHY

Dr. Cheah Soon Keat

MD (UNIMAS), Master in Clinical Oncology (UM), AM (M'sia),
Fellowship in Oncology (Houston, USA)

Consultant Oncologist

Sunway Medical Centre, Penang

Dr. Cheah Soon Keat, a seasoned oncologist with over 17 years of experience, specializes in managing adult solid tumors through chemotherapy and radiotherapy. Graduating with an MD from Unimas in 2003, he furthered his education, earning a Master of Clinical Oncology from UM in 2012. His career journey began as an intern at Sarawak General Hospital, where he gained diverse experience across disciplines such as General Medicine, Orthopaedics, and Obstetrics & Gynaecology. Transitioning to the Radiotherapy and Oncology Department, he honed his skills before joining Hospital Seberang Jaya in General Surgery. Recognized as a specialist by the Ministry of Health and registered in the National Specialist Register, Dr. Cheah has been actively involved in clinical research, serving as an independent expert on the Malaysian Research and Ethics Committee. He has showcased his expertise in numerous local and national meetings, demonstrating his commitment to advancing oncological care. Fluent in English, Bahasa Melayu, Mandarin, Hokkien, and Cantonese, Dr. Cheah ensures effective communication with a diverse patient base.

Saturday, 27 April 2024
