LUNG CANCER SYMPOSIUM 2024

@ Royale Chulan Kuala Lumpur

26 - 28 April 2024

FACULTY – BRIEF BIOGRAPHY

Dr. Ooi Kai Yun

MBBS (UM), FRCR (clinical oncology)

Consultant Clinical Oncologist

Hospital Sultan Ismail
Johor Bahru, Johor.

Dr Ooi is a clinical oncologist working at Sultan Ismail Hospital, Johor Bahru. She obtained her undergraduate certification from University of Malaya and fellow in clinical oncology from Royal College of Radiology. Her interest in oncology commenced during training which propelled her to undertake clinical fellowship programs at The Christie Hospital and The Royal Marsden Hospital.

Her interest include breast, lung,genitourinary malignancy, adaptive radiotherapy and stereotactic radiotherapy.

She believes multidisciplinary meeting is essential to improve cancer care, and is an active member in lung, breast and neuro MDT in Johor. She also engaged in training, research and clinical trials.

Sunday, 28 April 2024
