LUNG CANCER SYMPOSIUM 2024

@ Royale Chulan Kuala Lumpur

26 - 28 April 2024

FACULTY – BRIEF BIOGRAPHY

Prof. Dr. Pang Yong Kek

MD (USM), MRCP (UK)

Consultant Respiratory Medicine Physician

University Malaya Medical Centre
Kuala Lumpur, Malaysia.

Prof. Dr. Pang Yong Kek is currently a senior consultant at the Respiratory Division of the University Malaya Medical Centre. He is also a faculty member of the University Malaya, where he lectures. He has a wide range of research interests, which includes lung infections, obstructive airway diseases, interstitial lung disease and lung cancer. He is very active in continuous medical education and has been invited to speak on various respiratory disorders at many scientific events locally and overseas. Apart from professional engagement, he is also involved in health advocacy and community health awareness through organisations such as the Malaysian Influenza Working Group (MIWG) and the Malaysian Health Coalition (MHC). Besides being the immediate past president of the Malaysian Thoracic Society (MTS), he also serves as a board member of the Lung Foundation of Malaysia (LFM).
