## LUNG CANCER SYMPOSIUM 2024

@ Royale Chulan Kuala Lumpur

26 - 28 April 2024

### FACULTY – BRIEF BIOGRAPHY

#### **A/Prof. Dr. Sivakumar Krishnasamy**

MBBS (UM), MRCSEd (Surgery) (Edinburgh), MSurg (UM), FRCS CTH (UK),  
FETCS (UK)

***Consultant Cardiothoracic Surgeon***

University Malaya Medical Centre  
Kuala Lumpur

Assoc Prof Dr Sivakumar Krishnasamy, a senior lecturer and Consultant Cardiothoracic Surgeon at the University Malaya Medical Centre, boasts a remarkable academic and clinical career. Graduating from the University of Malaya in 2002, he garnered numerous accolades throughout his journey, including prestigious gold medals and distinctions in various examinations, such as the European Board of Cardiothoracic Surgery. Dr. Sivakumar underwent extensive training in general and cardiothoracic surgery in Malaysia and the UK, honing his expertise in adult cardiac and aortic surgeries, including minimally invasive techniques. With a profound commitment to education and innovation, he spearheaded the establishment of multiple multidisciplinary teams (MDTs) and training programs, elevating the standards of cardiothoracic surgery in Malaysia and beyond. Dr. Sivakumar's prolific research contributions, international collaborations, and leadership roles further solidify his position as a frontrunner in the field, shaping the future of cardiothoracic surgery both nationally and internationally.
